RECREATIONAL ACCESS PASSES AVAILABLE ON-LINE

Recreation on Fort Drum—including hunting, fishing, trapping, and wildlife viewing—is open to everyone!

Before entering the training areas, all recreationists must have a Fort Drum Recreation Pass; a NYSDEC license (for hunting, fishing & trapping); and check-in (and check-out) daily by accessing your account on the iSportsman web site with a smart phone or computer or calling the Sportsman's Hotline at 1-855-267-9770. The web site is updated at approximately 3:00 pm each day, listing training areas that are open the following day. Recreationists can check into up to three training areas at a time. **NOTE:** The iSportsman system is built based on a smart phone/computer interface and works better than calling by phone.

Fort Drum Recreational Access Passes are **ONLY available on-line** through the FortDrum.iSportsman.net web site. Passes are **FREE!** Recreational Access Passes are valid from January 1 to December 31.
